

THE TRUMP AGENDA 47, GOP PLATFORM 2024 *and*

Project 2025

Why this should concern all Americans. This will:

Replace civil servants with Trump loyalists

Reinstate Schedule F. This means firing up to 2.2 million career experts and replacing them with people who may be unqualified.

Deregulate industry and big business; reduce environmental protection

Eliminate safeguards on food, drugs, drinking water, and air quality. Eliminate NOAA which would leave government agencies, scientists, and businesses unable to respond and adapt to climate change. (Project 2025, p. 664)

Large scale deportations, reinstate all Trump anti-immigration policies

Eliminate DACA and programs for refugee Afghans, Ukrainians and others.

Dismantle the Department of Education— use federal funds for school choice

Roll back student loan programs., allow Federal funds to be used for private and parochial schools. (Eliminate Head Start—Project 2025, p. 482)

Restructure law enforcement agencies to align with executive power

Preventing law enforcement departments in sanctuary cities from receiving federal grants

Repeal all Biden environmental acts such as Inflation Reduction Act

End restrictions on oil, natural gas and coal

Reduce Civil Rights protection for LGBTQ+ individuals; recognize marriage only between a man and a woman *(Sanctity of Marriage)*

Roll back the Biden Administration's Title IX data collection regulations, and remove wording about gender from rules and regulations. (Project 2025, p. 332)
